INFORMATION DISCLOSURE STATEMENT
PURSUANT TO §1.97 AND § 1.98

Sir:

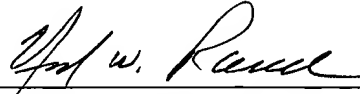

The information, patents and/or literature references listed on the attached form PTO-1449, was originally submitted in December 2001, which date was within three months of the filing date of a national application other than a continued prosecution application under § 1.53(d). At that time, the Office was irradiating all incoming mail, and in so doing the Office obliterated the address label. When returned as undeliverable, the paper was inadvertently returned to the file without resubmission. Applicant apologizes for the inadvertent failure to resubmit the Disclosure Statement when it was originally returned. **Applicant suggests that no fee is due for the instant re-submission..**
